Life was very different in Wu Yifan's grandparents' hometown many years ago. In the past, Wu Yifan's grandparents cooked on a fire. They didn't have a television or a radio. They didn't have a telephone. There were no buses. They had to live in a small house. They didn't have enough food.

Now great changes have taken place (发生) in Wu Yifan's grandparents' hometown. There are lots of buses and cars. They live in a big house. They cook with natural gas (天然气) and have lots of food. They can watch TV every day. They even have a computer and use the Internet. They are very happy now.
