五、阅读判断

Read and answer the questions. (阅读短文，回答下面的问题。)

Hello, I'm Lily. I'm 12 years old. I have a cousin. Her name is Sarah. She is one year older than me. But I'm 1.63 metres. I'm 2 centimetres taller than her.

Sarah went to my home last weekend. We had a good weekend together. On Saturday morning, Sarah and I went to the park by bike and we read books there. In the afternoon, we saw a film about animals together. In the evening, we cleaned my room together then we slept. On Sunday morning, we stayed at home and did our homework. In the afternoon, we went swimming together. How bad! I had a cold in the evening! I was not happy. But Sarah sang songs and danced for me. So I feel better and became happy then.

What a great weekend!
